Innlegg på Sjømaktseminaret 2022

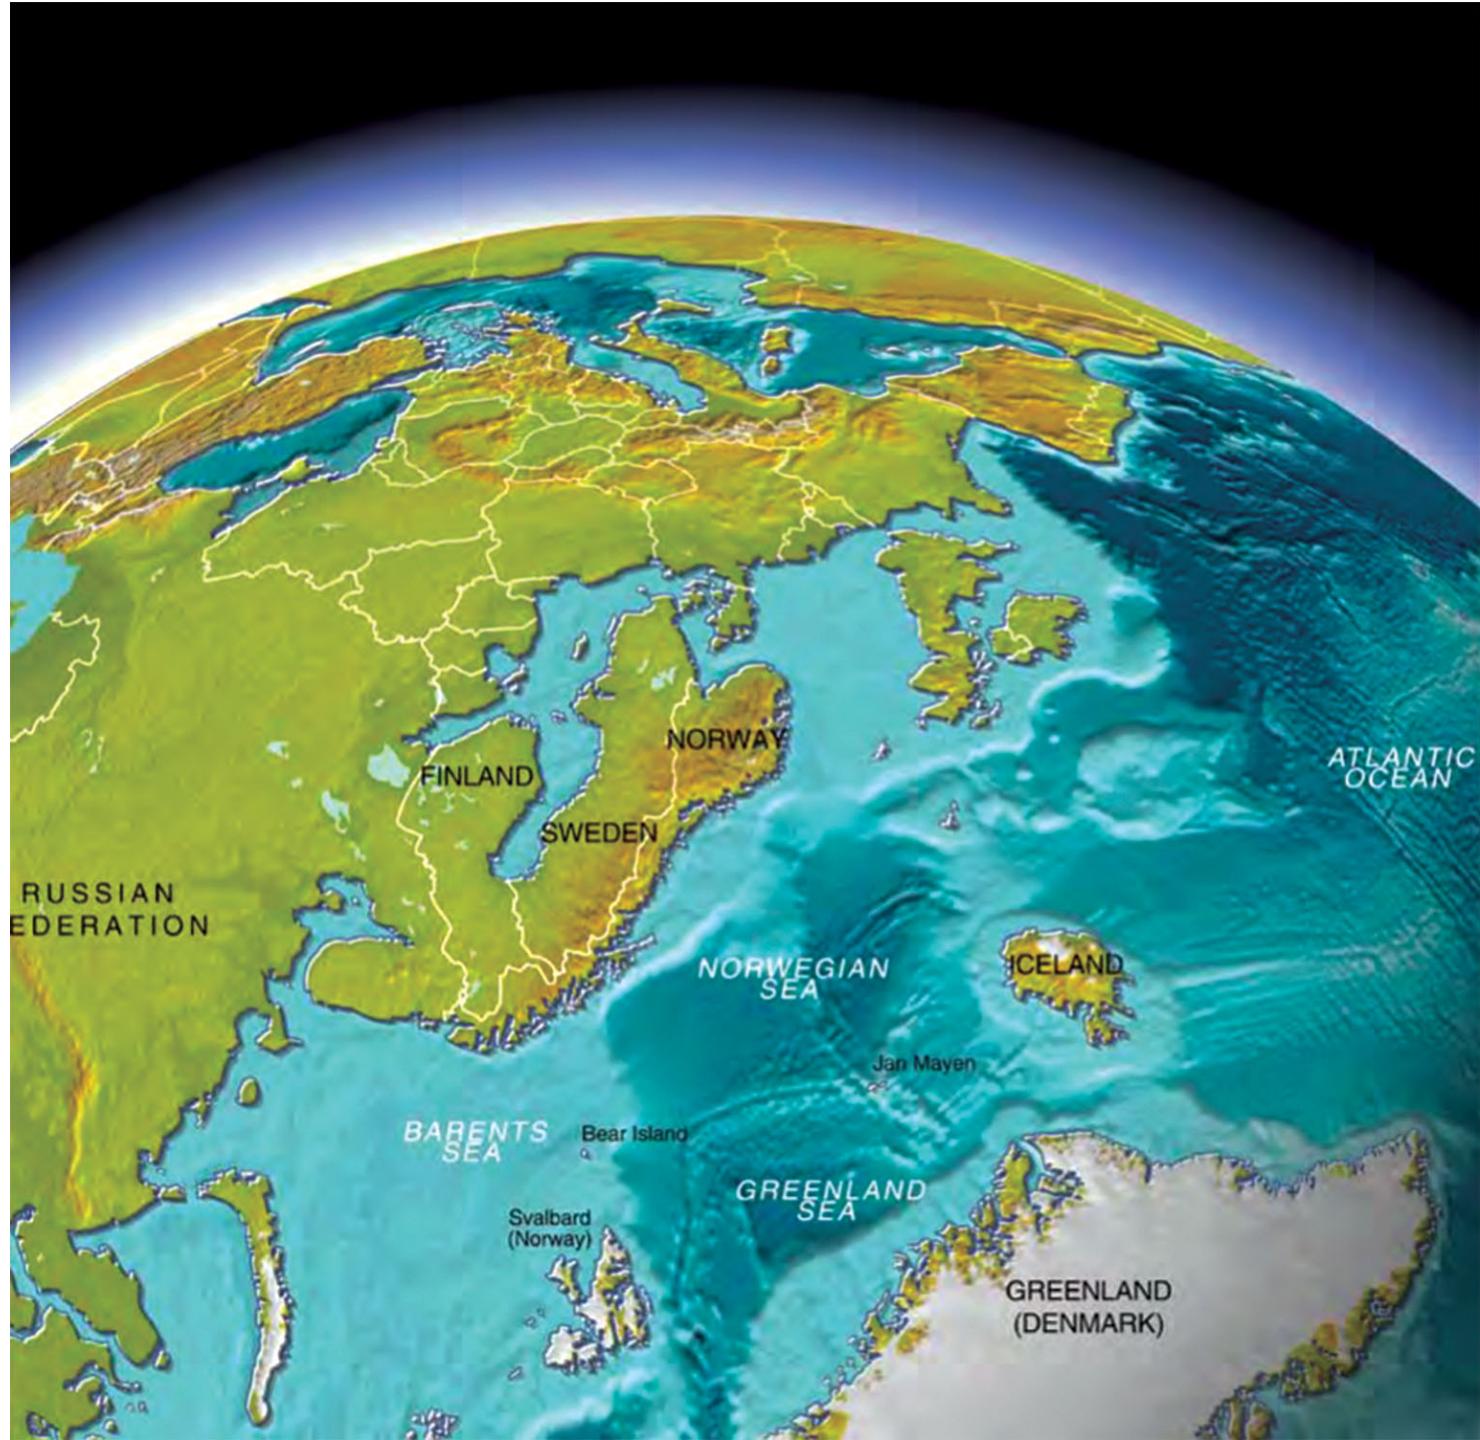

Statssekretær Bent-Joacim Bentzen

Bergen, 22. september 2022

Fire perspektiver:

1. Norges rikdom og velferd fra det maritime domenet
2. Russland har betydelige militære kapasiteter i våre nærområder.
3. Et sterkere, et mer selvhevdende og et mer selvsikkert Kina.
4. Klimaendringer vil ha en påvirkning på Norge.

“...China is seeking to consolidate its position as a legitimate Arctic stakeholder by diversifying and strengthening its bilateral relations with all the Arctic states through economic deals, scientific cooperation, and stronger diplomatic ties”

Styrking av besetningene

A photograph of a ship's deck at night. In the foreground, the dark silhouette of a ship's railing and a metal structure are visible. The middle ground shows a body of water with distant lights from a shore or other vessels. The sky is filled with the vibrant green and blue hues of the Aurora Borealis (Northern Lights), creating a dramatic and ethereal atmosphere.
